Collaboration

South Jersey DSRIP Collaborative #5

Medicaid Section 1115 Waiver

- States Can Reward Providers For Implementing Successful Delivery System Reform Incentive Payment (DSRIP) Programs.
- The Projects Must Align With The Centers For Medicare & Medicaid Services' (CMS)
 - Moving from “fee for service” to “fee for quality,”
 - Creating care coordination across A population.
- No Defined Strategies For Implementation Or Specific Project Details
 - Each state is better placed than the federal government to design the individual programs.

DSRIP

- Address The Overall Level Of Healthcare Spending Associated With The “**Medicaid Super-utilizers.**”
 - **Reduce** overall spending & federal healthcare expenditures.
 - Complex, unaddressed health issues & history of frequent encounters
 - Accumulate large numbers of ED visits & hospital admissions
 - Early interventions through primary care may prevent

Integrating Healthcare Delivery Will Reduce Costs And Improve Care Quality For This Population.
